

# Welcome to

# EINN2019

13th European Research Conference  
on Electromagnetic Interactions with Nucleons  
and Nuclei

27 October – 02 November 2019

Paphos, Cyprus

# EINN

- ❑ now 13<sup>th</sup> edition!
- ❑ idea conceived in 1992 @ Gordon conf.  
“European counterpart”, to be held biennially
- ❑ initially designed also as forum for  
CEBAF results
- ❑ no proceedings!

Larry Cardman, Costas Papanicolas and Kees de Jager

- ❑ first meeting in Sep. 1995 on Santorini:  
“Polarization in Electron Scattering”
  
- ❑ 1997:  
“Electromagnetic Interactions with  
Nucleons and Nuclei”
  
- ❑ 2005:  
moved to Milos
  
- ❑ 2011:  
moved to Paphos

- ❑ this year's meeting highlights first results from Jlab12
- ❑ covers numerous topics at forefront of research in nuclear and particle physics, both theory and experiment
- ❑ expect EINN to become focal point for our field in **EIC era**

- pre-conference “Frontiers and careers in Photonuclear Physics”  
Afroditi Papadopoulou & Lena Heijenskjöld
  
- 2 Workshops  
**Lattice QCD meets phenomenology**  
Constantia Alexandrou  
**The Road to an Electron-Ion Collider**  
Richard Milner
  
- plenary program put together with vice chair **Abhay Deshpande** and with advice by Dina and Richard

# A few important things:

- ❑ please join our poster session tonight!
- ❑ triple bonus: excellent science  
you get to vote!  
wine and cheese!
- ❑ best three posters will be presented as plenary talks in session on Thursday. Please attend.

- ❑ plenary speakers, please send your talks to me so that we can upload them
- ❑ workshop speakers, please send your talks to Dina / Richard
